

JR. FAIR DEPARTMENT

J8 - POULTRY SHOW

JUDGING: Tuesday, 9:00 am - **Judging to Follow Showmanship**

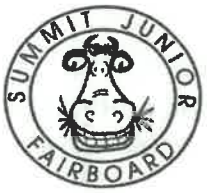

AWARDS: **Tuesday 7:00 P.M. Livestock Barn**

LOCATION: Poultry Barn

Jr. Fair Coordinator: Maya Jordan

REGULATIONS:

1. Animals must be checked in Monday between 9:00 A.M. and 6:00 P.M. Weigh-in for market poultry will be from 1:00-6:00 P.M. in the poultry barn. Market poultry leg banding will take place **Monday during Check in.**
2. Feed and bedding provided. See barn superintendent or 4-H advisors in barn.
3. All chickens to be shown **must** be pullorum tested, have **metal, permanent** numbered ID bands and show negative results. Band numbers are to be listed on test paper. Test must be conducted not more than 90 days prior to the opening of the fair. Testing will be made available **Monday** for 4-H'ers, **\$1.00 per bird.** 4-H'ers must be available to carry birds **and no birds will be cooped in prior to test.** Tag numbers to be on test paperwork and fair paperwork.
4. **TURKEYS ONLY!** Special salmonella pullorum-gallinarum test must be performed 90 days prior to the fair opening on turkeys only! Blood drawn by a veterinarian and serum sent to Reynoldsburg for testing. Tag numbers to be on test paper work and fair paper work.
 - A) The only poultry on the exhibitors property will be the turkeys and/or chickens purchased through the Summit County 4-H Livestock Committee. **(No additional testing is required.)**
 - B) We currently only have waterfowl, pigeons or doves on our (exhibitors) property and the birds we purchased from the Summit County 4-H Livestock Committee. **(No additional testing is required)**
 - C) We currently have turkeys, chickens, pheasants or quail on our (exhibitors) property and every bird that we own has been pullorum tested and found negative and have NPIP status. Those turkeys and chickens new to the property this year were ordered from the Summit County 4-H Livestock Committee. Other birds added to our flock after receiving these birds have all come from a pullorum negative flock and we have paperwork supporting this. **(No additional testing is required. NPIP status of the flock will need to be turned in at check in at the fair.)**
 - D) We currently have turkeys, chickens, pheasants or quail on our (exhibitors) property that have not been tested for Pullorum prior to our 4-H market birds arrival. **(Each turkey, chicken, pheasant and quail coming to the fair will need to be tested. Turkeys will need to be tested by a veterinarian at least 3 weeks prior to the fair.)**
 - E) I will be adding market turkeys to my untested flock. **(Turkeys will need to be tested by a veterinarian at least 3 weeks prior to the fair.)**
5. May enter only the number of birds specified for each class.
6. Exhibitor must be present for judging.
7. Barn Superintendent has the right to limit number of entries for fancy poultry **and market poultry.**
8. Release time for poultry/waterfowl: Sunday at 8:00 pm for fancy poultry
9. Market pen chickens and ducks must be in the members' possession 7-9 weeks prior to the opening of fair. Market chicken weight is 6-10 pounds. **Any market poultry no meeting the minimum weight requirement will be sent home. Over weight poultry will sell last and are not eligible for awards.** Market pen turkeys must be in possession by April 1st. Market Turkey hen weight between 18-30 pounds. **Market turkey tom weight be tween 22-42 pounds. Market Ducks weight between 5-10 pounds.**
10. American Standard of Perfection will be the guide for judging breeding stock.
11. Any 4-Her showing market poultry at the fair must turn in two Award Sponsor or two totaling \$60 (either from the ad book or junior fair sponsorship) .

JR. FAIR DEPARTMENT
